WHOLE NO. 2069.

sich chamber. But "how often?" is of attractions. They persist in preferring the very utmost importance. What would life, with the exhaustless capacity for be often for one, would be seldom for anof food would taste good; get that brethren to institute a reform in this mai

calling this Convention, the Committee relations to the Unin ablican Convention of 1805 have been full. The states lately in rebellion have been full. The states lately in rebellion have been sublicated to their former relations to the Governation. The laws of the country have been faith. ment. The laws of the country have been father that the finest pulpy statues as strong stomach and a week and the hottonal ment it frinty established. Governmental economy has been nitustrated by the souncity at the same time, of the pulpy strong stomach and a week and of taxabon; and the unding of the national debt at lower rate of interest has been successfully inaugurated. The riphs of naturalized hazens have onen protected by treaties, and important of the pulpy strong stomach and a week one is, that a single article of food in small particles is digested much sooner than if there were several.

CLEANLINESS

| CLEANLINESS | CLEANLINESS | Concourse of people were assembled | Cleanliness | C Branch. The competition for the possession of many of the satisfies was protty brick; but the prices realized fell very far short of the

> Self Murder. HY BOME PROPER COMMIT SUICIDE-

From the N. Y. Mvening Post. The tavorable pien of insanity advanced now-a-days with unfailing regularity in behalf of these who commit murder may certainly be granted to him who kills himselt. The describility of life under even the most discressing circumstances—even the most discressing circumstances—such, for instance, he toothache, a stupid \$440. A chestent Merkan horse was

melencholy example.

of body and mind, in case of disease, is of incalculable value. The animal creation instinctively court rest at the very first onset of sickness or bodily injury, and they get well without medicine. Hence, in all money; it is a man's great aim and de-sire; his only means in keeping his wife

A letter to the Buffalo Commercial Adrertiser, signed "A German Republican," gives the following as his estimate of Scharz, which is just if not generous:

It is actionable to see the vindicive operations of the state of the

will fail of selling us Germans; he may make the sale but the delivery will be over the Gorman vote as Satan had over the country he showed to the Saviour. Schurz need not so deceive himself, for we

ble that an intending suicide may be in a dazed state of mind, like a sane man is will arrest more diseases, will cure more bodily maladies, than all the medicines ever swallowed. As cold is death to all vegetable as well as animal life, the first step, in ordinary circumstances is to keep the body comitorably well, while a cool, pure atmosphere is breathed. That is, cover a may have felt himself in a chink in the boards at a scene in the argential part of the mender by the murder by Charlotte armosphere is breathed. That is, cover

consequently cannot afford to scatter quite so lavishly as did the late Prince of Eric The first lots offered for sale consisted o horse blankers, rubber covers, etc., which brought fair prices, though six bullion trimmed street covers that cost \$109 euc bear robe brought \$95, and three whits for robes \$105. Three imported English sad dies and bridles \$71 each, and three miltary saddles, with equipments, \$122. Then the steedy of the late Colonel of the collect.

gullant Ninth were trotted out, and the first that was the conject of the sutioneer

culogy was the chestnut sorrel charge "Blucher," upon which Prince Jim soften rade to bloodle's victory. He was

opposition of Senster Carl Schurz to the present administration. But is is characteristic of the mun. In 1818 houseme here, a fugitive from justice (to save his neck) from the country whose overthrow he sought and worked for. He was willing to deluge the whole of Germany (my fatherland) in blood. And for what: Nothing else but selfish ambition. This country received him and gave him a citizen's rights. It has protected him thus fir, and honored him since with office. In 1869 when he called as a Rippublican (save the mark') he was called the Red-mouthed Dutchman, by the very mon into whose hands he is now playing. The same pack of copperhades and transfer were for hanging his lead that a committed in this city a few months. "the Ked-mouthed Dutchman," by the very men into whose hands he is now playing. The same pack of copperheads and traitors were for hanging his head tutor, Summer, on the other side of the globet to balance Jeff Davis.

Schurz beasts of the German vote, and is for eals to the highest bidder; but he will fail of silling us Germans; he may neke the sale but the delivery will be loubtful. He has about as much control over the German vote as Satan had over

in ordinary of roumstances is to keep the body comiorably well, while a cool, pure atmosphere is breathed. That is, cover up well in bed, but let doors and windows or a fire-place, be kept open to the extent of having an atmosphere of about sixty degrees or less; even it practicable, as temperature colder than this is not usually desirable, for if much colder and the system is weak, inflammation of the sisting of the murder by Charlotte places of less; even in practicable, is sellom used by the modern suicide; though the rope that it, Pacumonia—is readily incurred, a disease which is often fatal within a week.

If there is still a tendency to chilliness, pure hot water can be drank to any desired extent to very great advantages, as it products to the contraction of the murder by Charlotte Corday of Murat in his bath, and, half and child in the boards at a seene in the consolidation for the child on a similar choice of losation for his bloody. He shouted for holp but in a frument of the suicide, though the rope in its body. He shouted for holp but in a strument of the suicide, though the rope in another moment he was thrown into the strument of the suicide, though the rope in its brown in a more for the said in now and any strument of the suicide, though the rope in its brown in the strument of the suicide, though the rope in its brown in the was thrown in the two much in vogue in med event times, and still be to me with "For must and its collars of the fatal within a week.

If there is still a tendency to chilliness, pure hot water can be drank to any desired to the country, at least, sufficient in a week.

If there is still a tendency to chilliness, pure hot water can be drank to any desired to the suicide, though the rope in its brown in the fatal within a week.

If there is still a tendency to chilliness, pure hot water can be drank to any desired to the suicide, though the rope in a much in vogue in med event times, and it is both, and the sendence in fruit was extended and entwined trunk the strumt was ext

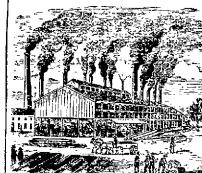

His feet were heavily shackled with iron chains extending down into the cellar. His trunk was dyed crimson with the blood owing from the wound in his trunk The clarbant 'Rameo' was brought to this country in 1865, by Mr. Mailie, and purchased after his death by Mr. Adam Forspaugh. He is beyond all odds the best performing elephont in the country, and is far that

elephant in the country, and in fir that reason extremely valuable, or he would have been killed long ago by reason of the makeious fits that come upon him by air, and has then crushed the life out of him by kneeling upon his prostrate form. This elaphant has always had, since

SOME OF THE REASONS WHY THE Have You Ever Heard of One who does not Want WEED SEWING MACHINE BOOTS & SHOES? Everybody wants Boots and Shoes, and the cost place in this city to buy them is at the store of the Big Red Ehoe of Is rapidly taking the precedence as the only Abraham Einstein.

UNIVERSAL No 35 Spring Street, and all who are in want of them, and who wish to get the best and the cheapest, should call on the undersigned at the above place. He has now on land a very full and actient atok of Boots, shoes, Gastere, slippers, Rubber Goods, as well of his own make, so well and favorably known, as also of all sorts and descriptions of likady Made Goods. He would especially call the attention of ladies to his superior "E. C. Bur 's hores," decided y the nicest and bes! Since out.

His goods are purchased of the best manufacturing houses, and his prices us law as the lowest in the city. He would respectfully invite all to call and see for themselves.

**Dustom work and repairing done as here-tolore. AMILY AVORITE T HAS THE LEAST "NUMBER OF PARTS." IT RUNS EASIER.

IT HAS THE MOST AND FINEST ATTACHMENTS. IT HAS A NEEDLE SETTER IT HAS A TRUMB SCREW TO FASTEN THE NEEDLE. ABRAHAM BINBTEIN. A careful examination will substantiate the above facts and Securoits sale. Office corner of Frankin and Main streets, Ti-tusville, Pa.

DOUCHE. DR. SACE'S CATARRH REMEDY.

This instrument is especially designed for the

DR. SACE'S CATARRH REMEDY.

It is the only form of instrument yet invented with which fluid medicine is an becarried high up and parfield applied to all pairs of the affected nasal passages, and the chambers or cavities communicating therewith, in which soiles and licer frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh heretofore has sliven largely from the impossibility of inpalying temedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of the ordinary methods. This obstacle in the way of the ordinary methods. This obstacle in the way of the ordinary methods. This obstacle in the way of the ordinary methods are sufficiently lower on the field of the Douche. In using this instrument, the Fluid is carried by its way weight, not southing, forcing or pumping being required, in one most ill in a full gently flowing stream to the lightest portion of the used passages, passes into and thoroughly deams. If all the thies and chambers connected the twith, and flows out of the opposite nostil. It was is pleasant, and so simple that a child can understand it. Full and explicit directions as ant, and so simple that a ciniq can inaccious act.

Full and explicit directions ac-Symptoms of Catarrh. Frequent head the disclusing falling into the set sometimes were ache, discharge falling into throat, sometimes profuse, watery, thek muons, publicat, ofteners, &c. In others a dryness, dry, watery, weak or inflamed eyes, stopping up or obstruction of hasal passages, ringing in ears, deatness, hawking and coupling to clear throat, thereations, scabs from ulcers, voice aftered, mast twang, oftensive breath impaired or total duprivation of schee of smell and taste, dizziness, inental depression, loss of appetite, indigestion, enlarged torsits, its limit cough, &c. Only a few of three symptoms are likely to be present in any care at one time.

isc. Only a few of these symptoms are likely to be present in any case at one time.

Br. Sage's Chinrib Remedy, when used with Dr. Pierce's Nasal Bonelie, and accompanied with the constitutional treatment which is recommended in the pampilet that wraps each buttle of the Remedy, is a perfect specific for this loadisante disease, and the proprietor offers, in good faith, Sido reward for a case he can not one. The Remedy is middenly and pleasant to use, contaming no strong or castic drugs or poisons. The Catairh Remedy is sold as 50 cents, Donelie at 60 cents by all Druggistus, or either will be marked by proprietor on recents of 60 cents. Br. V. PERCE. gists, or either will be maded by proprietor en receipt of 60 cents R. V. PIERCE, M. D., Sole Proprietor, BUFFALO, N. Y.
